Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

	Yes	No
A. Did you have total assets of $5 million or more on the last day of your most recent fiscal year?	○	○

If "yes," you do not need to answer Items 12.B. and 12.C.

B. Do you:		
(1) *control* another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of $25 million or more on the last day of its most recent fiscal year?	○	○
(2) *control* another *person* (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?	○	○
C. Are you:

(2) *controlled* by or under common *control* with another *person* (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?	○	○

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Because Schedule R does not provide for State Securities Authority notice filings, responses on behalf of the Relying Advisers are included in Item 2.C. In Item 5.A, the adviser has indicated that it has 936 employees. This number is the total number of employees of the Filing Adviser and the Relying Advisers. In Item 5.K, with respect to one or more discretionary sub-advisory accounts, the adviser has responded to the best of its ability but does not possess all relevant information related to the applicable accounts. Certain employees of the adviser, companies organized for participation by employees of the adviser ("employee companies"), and former employees of the adviser are non-managing members in one or more of the affiliated investment advisers listed in Section 7.A. Such employees, employee companies, former employees and placement agent receive a profits interest in such affiliated investment advisers. The minimum investment amounts indicated in section 7.B.(1)12 are all subject to waiver by the relevant board of directors, managing member or general partner. With respect to Item 8.A(1), the adviser does not generally sell securities to or purchase securities from its clients; however, the adviser may enter into (and has entered into) transactions with clients in order to effect an orderly wind down of an investment vehicle or for similar dispositions. With respect to Item 8.A(2), the adviser has indicated "yes" to reflect the fact that the adviser's employees are permitted to trade in investment products e.g. exchange-traded funds. The adviser may from time to time recommend certain of those same investment products to its advisory clients (for e.g., as a method to hedge risk). The adviser's employees generally are not permitted to transact in individual public securities. With respect to Item 8.A(3), the adviser has indicated "yes" to reflect its practices for its co-investment vehicles. The adviser has also indicated "yes" to reflect its practice of recommending to certain advisory clients to purchase the securities of collateralized loan agreements in which the adviser has some other proprietary interest. With respect to Item 8.G(1) and 8.G(2), the adviser has indicated "yes" in light of the Form ADV's definition of "soft dollar benefits;" the adviser does not enter into any traditional

"soft dollar agreements" to fund the purchase of research. Option 1 of Section 2A of the various Schedule Rs is selected pursuant to an operational integration analysis. Responses to questions asking for the "number of clients" includes feeder funds in master/feeder structures. With respect to certain Luxembourg domiciled feeder funds in Section 7.B.(1), audited financial statements are not received until April of the calendar year, and if such financial statements are not subject to an unqualified opinion, Registrant will promptly amend applicable responses to question 23.h of Section 7.B.(1).
