By checking the appropriate boxes, you will be deemed to have made the required representations. You must make both of these representations:

Generation UK renders investment management services outside the US similar to the investment management services rendered by Generation US in the US. Generation US utilizes the services and assistance of Generation UK in rendering investment management services to Clients of Generation US. It does so pursuant to a Participating Affiliate or Sub-Advisory Services Agreement. Generation US retains primary responsibility for the oversight and compliance of the investment management services rendered.[1] Just Climate LLP was established by Generation UK in May 2021 and is authorized and regulated by the UK’s Financial Conduct Authority. Such sales or purchases are permitted only subject to certain preclearance conditions. Prior to approving the related person’s request, the relevant compliance officer will seek to determine whether Generation US (or Generation UK) holds the security in question or has issued a recent recommendation in connection with the security. After the compliance officer has conducted the review, the transaction contemplated by the related person of Generation US is approved or denied as appropriate. An example would be where an employee wished to sell a security that was involuntarily received by that employee due to a corporate action such as a tender offer/takeover. Item 9. that it acts as an Investment Manager to the Funds. The Funds entered into a custody agreement with The Northern Trust Company ("Northern Trust"), whereby Northern Trust maintains physical custody of all the Funds' assets. The Funds' Administrator – Northern Trust – maintains the capital account for each "Partner" of the Funds. Northern Trust, as Fund Administrator, prepares the Annual Financial Statements for each Fund which are audited by KPMG LLP. Upon execution Northern Trust directly distributes the Annual Financial Statements to Clients. The Funds are deemed hedge funds only on the basis that Generation US charges an incentive fee. Generation Funds do not meet, nor do they expect to meet, the leverage or short selling tests.
