Employees

If you are organized as a sole proprietorship, include yourself as an employee in your responses to Item 5.A. and Items 5.B.(1), (2), (3), (4), and (5). If an employee performs more than one function, you should count that employee in each of your responses to Items 5.B.(1), (2), (3), (4), and (5).

A. Approximately how many employees do you have? Include full- and part-time employees but do not include any clerical workers.
3

- B. (1) Approximately how many of the employees reported in 5.A. perform investment advisory functions (including research)?

Item 12 Small Businesses The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7. Answer this Item 12 only if you are registered or registering with the SEC and you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration. For purposes of this Item 12 only: Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of <i>clients</i>. In determining your or another <i>person's</i> total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).

You may use the space below to explain a response to an Item or to provide any other information.

The Florida Office of Financial Regulation considers advisors who deduct fees directly from client accounts to have custody of the assets of those clients and require Section 9, Custody, to be answered affirmatively for this reason. Dynamique Capital Advisors does not otherwise have physical custody of any client assets, and follows the safeguards prescribed by Florida to protect client assets including notifying the state that fees are directly deducted from accounts, obtaining written authorization from the client to deduct the fees, ensuring that clients receive statements at least quarterly from the qualified custodian where the assets are held showing all transactions in the account, and providing clients with a calculation of the fee each time fees are deducted from the account.
