Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

You must complete the appropriate Disclosure Reporting Page ("DRP") for "yes" answers to the questions in this Item 11.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

		Yes	No
A.	Did you have total assets of $5 million or more on the last day of your most recent fiscal year?	○	○

If "yes," you do not need to answer Items 12.B. and 12.C.

B.	Do you:		
(1)	*control* another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of $25 million or more on the last day of its most recent fiscal year?	○	○
(2)	*control* another *person* (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?	○	○
C.	Are you:

(2)	*controlled* by or under common *control* with another *person* (other than a natural person) that had total assets of $5 million or more on the last day of its most recent fiscal year?	○	○

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Observations Regarding the Methodology for Computing Number of Clients and Accounts: Pathstone may describe or refer to advisory clients in various materials, deliverables, regulatory filings, and agreements as "client relationships", "family relationships", "client accounts" or "client portfolios" depending upon the context and the reporting needs. This is not a complete or exhaustive list, but rather a small sampling of the various descriptions that may be used to describe advisory clients throughout firm materials. Additionally, the firm utilizes different legacy reporting practices across certain offices resulting in unique client identifiers, names, or descriptions of advisory clients, in part due to the integration of multiple legacy organizations, portfolio accounting systems, CRM software and client reporting preferences (e.g., flash estimates, monthly, quarterly, or other periodic reporting requirements of advisory clients). As a result, with respect to the number of clients listed in Item 5C of Pathstone's Form Part 1A, Pathstone includes each family relationship and each Affiliated Fund in the client count but excludes limited partners of these pooled investment vehicles that are not otherwise advisory clients of Pathstone. Additionally, for purposes of Item 5C, Pathstone generally does not separately count each sub-family relationship. Sub-family relationships are often grouped together using internal criteria such as the consolidation of related individuals and family entities covered under the same periodic reports, investment policies and/or agreements. A counting of each sub-family relationship, or alternatively each account, would result in a number much higher than the actual number of family relationships. With respect to the "Total Number of Accounts" in Item 5F, Pathstone generally counts each individual custody or prime broker account for each sub-family relationship, including individuals and family-related entities; where appropriate based on the nature of a legacy acquired advisory business and reporting practices, an account reported in Item 5F refers to a single client advisory relationship that may encompass a group of related individuals or entities. One unintended outcome of this methodology is that dividing the total discretionary AUM by the number of accounts in Item 5F (or the number of clients listed in Item 5C) results in an arithmetic average of AUM for each family relationship much smaller than the actual numerical average. Observations Regarding Treating Affiliated Funds as Advisory Clients: Pathstone also provides advisory services to its Affiliated Funds pursuant to separate agreements and as a result, each Affiliated Fund is treated as an advisory client. Pathstone assists and advises with managing certain investment and business operations of the Affiliated Funds, in each case to the extent provided in the applicable governing agreement. Observations Regarding Certain Limited Partners of Pathstone Affiliated Funds: Certain limited partners invested in the Affiliated Funds who have no other relationship with Pathstone (i.e., they are not receiving investment advisory services pursuant to a separate agreement), may be referred to as "Limited Partners", "LPs", "LP Only Investors", "Non-client Limited Partner", etc. depending upon the reporting practices of each legacy organization. As a result, such Limited Partners are not counted as advisory clients for Item 5C. With respect to Section 5(K) 2, the only derivative transactions Pathstone reports on are structured notes. With respect to Item 5(K)2, Pathstone's strategy is not to effect borrowing transactions, however some clients have margin accounts that would permit them to borrow either for investment or non-investment purposes. We are not filing a Schedule R for Saltbox II, LLC or PFO/CA Fund GP LLC, which are special purpose vehicles that we believe meet the fact patterns and conditions described in the 2005 Staff letter to the American Bar Association (ABA) and described in the 2012 Staff letter to the ABA as the "2005 Conditions". With respect to Schedule A, Pathstone Intermediate Holdings, LLC has indicated an employer ID of 00-0000000 since the entity does not have a CRD number, tax ID or EIN. In aggregate, pooled investment vehicles controlled and/or managed by Lovell Minnick Partners LLC ("LMP") hold an indirect interest in Pathstone Holdings LLC of greater than 25%. However, no single LMP managed/controlled entity owns more than the 25% which would trigger disclosure. As a result and in accordance with the Schedule B's instructions, no Lovell Minnick entities are required to be disclosed on Schedule B.

2. Appointment and Consent: Effect on Partnerships

If you are organized as a partnership, this irrevocable power of attorney and consent to service of process will continue in effect if any partner withdraws from or is admitted to the partnership, provided that the admission or withdrawal does not create a new partnership.
